Consultant Agreement

1. Upon acceptance of this Agreement by Passion Parties Canada Inc. ("Passion Parties"), I agree to become an independent sales consultant ("Consultant") in order to purchase and distribute Passion Parties products. My earnings and success will depend upon the sales of my Passion Parties products directly to consumers and my sponsoring of other successful Consultants into the Passion Parties business.

2. Passion Parties is in the business of producing and selling adult novelties, books and videos, lotions, and other related products. I understand that Passion Parties is a direct selling company which will sell me products to resell to my customers for profit through an in-home party plan and person-to-person sales model. As a Passion Parties Consultant, I understand that revenue is generated by the sale of Passion Parties products, and that, in part, the business income earned is payable as a margin/mark-up for buying and reselling products. Accordingly, I understand that no bonuses, commissions or other business income will be payable for the mere sponsorship of Consultants or for sale of Starter Kits.

3. I hereby agree that our contractual relationship shall be governed by Passion Parties Consultant Handbook. Passion Parties reserves the right to change its policies at any time upon written notice. My continued selling of Passion Parties products will signify my agreement to these changes as well as any changes to Passion Parties product line or price, bonus, discount or incentive program changes, at any time upon notice.

4. I acknowledge and agree that I am not an employee, agent or partner of Passion Parties. As an independent contractor conducting my own business, I will be responsible for filing all federal and provincial tax returns and paying my own income tax. As an independent contractor, I hereby acknowledge that I am not authorized to act on behalf of or authorized to incur any debts, contracts or liabilities in the name of Passion Parties.

5. In conducting my direct selling business, I will not engage in any unlawful or unfair business practice or violate any applicable laws or regulations. I understand that Passion Parties makes no claims or warranties of any kind concerning Passion Parties products or the Passion Parties Consultant business opportunity, including compensation or potential earnings, other than what is expressly set forth in the Passion Parties Consultant Handbook or any other official Passion Parties literature.

6. I agree and consent to the collection, use, storage and disclosure of my personal information by Passion Parties for the purposes of carrying on my business as a Consultant pursuant to this Agreement and all related commercial activities.

7. Either Passion Parties or I may terminate this Agreement with or without cause upon prior written notice to the other party. This Agreement will automatically terminate upon my death, insolvency or bankruptcy. All of my rights (including rights to any earnings, privileges or benefits) are personal to me and cannot be assigned, transferred, or assumed without Passion Parties' prior written consent.
